

# DIGIDICED - Privacy Policy

## 1. What data do DIGIDICED apps access?

DIGIDICED does not gather any information when you install or use our software. The only exception being when you log-in to use the multiplayer and online features of the game. For these features a login using your game center data, play service data or email is required. This information is strictly used to log-in to the DIGIDICED network. No personal data is used for advertising.

## 2. Contact information

In case you wish contact for support reasons, information related to processing the problem are stored for the duration of the issue.

## 3. Your rights

You have the right to get information about the data collected about you. Please contact [info@digidiced.com](mailto:info@digidiced.com).
